Youth Outcome Questionnaire (Y-OQ®2.01)

Child's Name _____ ID# _____ Today's Date _____
 Child's Date of Birth _____ Child's Sex: Male _____ Female _____ Parent/Guardian _____

PURPOSE: The Y-OQ®2.01 is designed to describe a wide range of troublesome situations, behaviors, and moods that are common in children and adolescents. You may discover that some of the items do not apply to your child's current situation. If so, please do not leave these items blank but check the "Never or almost never" category. When you begin to complete the Y-OQ®2.01 you will see that you can easily make your child look as healthy or unhealthy as you wish. Please do not do that. If you are as accurate as possible it is more likely that you will be able to receive the help that you are seeking for your child.

DIRECTIONS: - Read each statement carefully. - Check the box that most accurately describes your child during the past week.
 - Decide how true this statement is for your child during the past 7 days. - Check only one answer for each statement and erase unwanted marks clearly.
